God's Plan for a Joy Filled Marriage is a marriage prep program that offers engaged couples a more compelling presentation of God's glorious plan for marital love than perhaps any program available in the Church today. It's the first program of its kind to integrate thoroughly the "new language" of Pope John Paul II's Theology of the Body. To learn more see www.joyfilledmarriage.com

A supplement...not a replacement. *God's Plan for a Joy Filled Marriage is a supplement to the Archdiocese of Cincinnati's existing marriage preparation program. It is designed to enhance two key components: the theology of marriage and the gift of human sexuality.*
