TOB for Teens: A New Language for a New Generation

Theology of the Body for Teens presents the two hottest topics on the planet--God and sex--and "marries" them through Pope John Paul II's compelling vision for love and life. Using a great mix of stories, real-life examples, activities, prayers, and references to the culture that teens understand, *Theology of the Body for Teens* answers the questions teens have about their own bodies, issues on sexual morality, and how they were uniquely created for greatness.

Theology of the Body for Teens answers questions such as:

- Why did God give us our sexual desires?
- What is the difference between love and lust?
- Can Christ bring healing to me if I've already "messed up"?
- How far is "too far"?
- How can teens remain pure in our oversexed culture?
- Is there any hope for overcoming lust and pornography?

This two day workshop presents the adult foundational study, *An Introduction to the Theology of the Body: Understanding God's Plan for Your Life*. This is an eight part study that provides a solid understanding of John Paul II's Theology of the Body. Teachers will be given the necessary tools to then engage their students using the *TOB for Teens* curriculum and teaching aids which translates the message into a language teens can embrace.

This informative and lively workshop is facilitated by experienced Ruah Woods staff and incorporates

- DVD's featuring Christopher West plus workbook with detailed notes
- Large and small group discussion
- Examples of how to convey topics in the classroom
- Resources, links and teaching aids
- Networking opportunities with other teachers

In this study, you will learn:

- Why the redemption of our sexuality is the key to happiness
- How God's mystery is revealed through the body and spousal love
- The truth behind the lies of lust and pornography and how they can be overcome
- The language of sexual love
- ...and so much more!
