## YOUR CALL TO GREATNESS

### Come and Learn How You Were Uniquely Created for Greatness

This presentation will give you a new “vision for life.” Here you will come to see who you really are—and what you are called to be. God’s plan for us is stamped right in our bodies, and understanding this plan gives us a new lens through which to see our lives, our relationships and the world around us.

This overview of John Paul II’s remarkable teaching on human sexuality is ideal for those who are new to the Theology of the Body. It addresses some of the most fundamental questions of human existence, including: “What does it mean to be human?” and “How do I live my life in a way that will bring true happiness?”

**Christopher West** is recognized around the globe for his work promoting an integral, biblical vision of human life, love, and sexuality.
