

Faith Navigation... How a Catholic Identity is a Differentiator

ANNUAL LUNCHEON

FEATURING

David A. Armstrong, J.D. , President Thomas More College

Many students are challenged to live and grow their faith as they experience college life. Thomas More College President David Armstrong describes how TMC supports parental efforts to meet these challenges in our secular world.

David A. Armstrong, J.D. is honored to be entering his fifth year as president of Thomas More College. Driven by his passion for TMC's mission, he has led the institution through a transformation that includes the introduction of new academic programs, and co-curricular and extra-curricular initiatives.

Ruah Woods' efforts in designing and delivering K-12 Theology of the Body Curriculum is a project that is attracting international attention. Come and hear the latest progress update. You'll be amazed!
