

FAMILY: THE FIRST SOCIETY... OHIO'S BLUEPRINT FOR THE COMMON GOOD

VISION: Governor Mike DeWine loves Ohio and cares passionately about our state's future. He understands the dignity of every person and knows that every parent wants their kids to have an opportunity for a solid education, a healthy life that is free of drugs, and a good paying job later in life. Effective leadership has righted the ship in Ohio, but Mike knows that we have a chance to propel our state even farther ahead.

FAMILY: In many ways, Mike DeWine's upbringing is the Ohio story. He was raised in Yellow Springs, Ohio and met his wife, Fran Struewing, in the first grade. They got married between their sophomore and junior years at Miami University and have been blessed with 8 children and 23 grandchildren. Family is at the core of everything Mike DeWine does, and that's why he has devoted his life to fighting for Ohio's families. He knows that when families are strong, our communities are stronger and our future is brighter.
